

Accessibility Statement

1. Accessibility Statement

At Psychotherapy Institute, we are committed to ensuring an inclusive and accessible environment for all trainees, CPD attendees, staff, and visitors. We recognise the importance of accessibility in both our physical spaces and our learning environment, and we actively work to remove barriers that may prevent full participation.

2. Physical Accessibility

- Our training and event spaces are accessible to individuals with mobility impairments.
- Where possible, we provide step-free access, accessible facilities, and seating arrangements to accommodate diverse needs.
- If you require specific adjustments for in-person training or events, please contact us in advance so that we can assist you appropriately.

3. Learning and Training Accessibility

- We aim to deliver all training materials in an accessible format and can provide alternative formats upon request.
- Our courses and CPD events are designed to be inclusive, with consideration given to diverse learning styles and needs.
- We request that all course applicants indicate on their application any specific learning needs or reasonable adjustments which may mean they need additional support on their training journey.
- Your course tutor will discuss and develop strategies to enable you to access all aspects of the training in a way that may better suit your learning style.
- We encourage open communication about any accessibility requirements to ensure that all participants can engage fully with our training.

4. Support for Neurodiversity and Mental Health

- We recognise that some individuals may require adjustments due to neurodiversity, mental health conditions, or other support needs.
- Where possible, we can offer reasonable adjustments such as additional breaks, tailored learning approaches, or quiet spaces.

5. Website and Digital Accessibility

Psychotherapy
Institute

- Our website is designed to be accessible, with clear navigation, readable fonts, and alternative text for images.
- If you experience any difficulties accessing content online, please let us know so we can make improvements.

6. Feedback and Adjustments

We are committed to continually improving accessibility and welcome feedback from all trainees, attendees, staff, and visitors. If you require any adjustments or have suggestions on how we can enhance accessibility, please contact us:
